WHAT DOES THE FUND INVEST IN?

The Fund aims to invest in a cross-section of alternative strategies that historically have had a low correlation with the broader equity markets. The Fund will hold positions in Canadian, US, and global real Estate investment trusts. The Fund may also take minor positions in gold bullion, materials, including agricultural stocks, oil and energy stocks as determined by the manager. The Fund will rebalance periodically to maintain the targeted investment mix. The Fund may also sell covered options to generate internal tax-advantaged cash flow and to reduce the risk of holding alternative investments during certain adverse market cycles. The charts below give you a snapshot of the fund's investments on October 31, 2011. The fund's investments may change.

HOW RISKY IS THE FUND?

When you invest in a fund, the value of your investment can go down as well as up. PIE Mutual Funds has rated this fund's risk as medium.

For a description of the specific risks of this fund, see the fund's simplified prospectus.

ARE THERE ANY GUARANTEES?

Like most mutual funds, this fund doesn't have any guarantees.

You may not get back the amount of money you invest.

WHO IS THIS FUND FOR?

The Fund invests in real estate investment trusts and commodities. Generally, investors would use this fund as a diversifier within a portfolio mandate. As such, the percentage invested in this Fund may vary depending on the investor's objectives and risk tolerance within the context of his or her portfolio mix. Generally, this Fund should appeal to medium-risk investors seeking capital appreciation from alternative asset classes.

Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk.

A WORD ABOUT TAX

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.
